PROFESSIONAL SUMMARY

A skilled UI Developer with 4+ years of experience in HTML5, CSS3, SCSS, Bootstrap5, JavaScript and Angular specializing in responsive, mobile-first web design. Proficient in converting Figma/XD mockups into hand-coded, pixel-perfect templates while ensuring cross-browser compatibility and accessibility (WCAG, ARIA). Strong understanding of UI/UX best practices, animations, and frontend frameworks, along with SEO principles and website optimization. Experienced in Git for version control and collaboration. Passionate about creating scalable, user friendly, and high-performance web interfaces.

EXPERIENCE

Neosoft Technologies (Jan 2021 To Feb 2025)

(UI Developer)

- Frontend Development – Designed and developed dynamic, standards-compliant web pages using HTML, TypeScript, jQuery, and SCSS.
- Performance Optimization – Refactored code, improved project architecture, and implemented best practices for maintainability.
- Web Accessibility – Ensured web pages are accessible to all users, adhering to accessibility standards.
- Email Development – Worked with clients to create responsive and visually engaging email designs.
- Angular Development – Developed single-page applications (SPAs), creating reusable modules and components.
- Collaboration & Support – Partnered with developers to troubleshoot issues, fix bugs, and provide ongoing application support.

PROJECT & CLIENTS

Sports Interactive (Sep 2024 – Feb 2025)

- Delivering 5+ responsive, high-performance designs optimized for sports fans.
- Worked on the official websites for GT (Gujarat Titans), KKR (Kolkata Knight Riders), LSG (Lucknow Supergiant's), ILT20 (International League T20), and WPL (Women's Premier League)

Union Bank of India (Aug 2022 – Sep 2024)

- Designed and developed UI templates for Union Bank's external web application and coordinated with Angular and .NET teams for integration.

BCG (Boston Consulting Group) – (Nov 2021 – March 2022)

- Designed and developed UI templates

MMRDA Metro Line 3 Website

- Designed mobile-friendly, multilingual templates; nominated for Monthly RNR award.
